

# ROAD MAP TO 4-H

**Leader's Super Saturday is right around the corner!**

**We would like to see a volunteer/representative from each 4-H Club at this training event!**

Leader's Super Saturday is a new opportunity for our 4-H Adult Volunteers to gain more leadership training on an annual basis. We hope this new event will provide you with the support and answers you need to continue being strong leaders for your club.

**This is a great opportunity to get parents or other potential volunteers involved in the leadership of your club!** Encourage parents to join you at Leader's Super Saturday so they can familiarize themselves with how fun leadership in 4-H can be!

We will have training on 4-H Online, parliamentary procedure, and all sorts of beneficial lessons and techniques!

Check out the enclosed newsletter for details on how to be a part of this awesome day!

Date: May 13th
